January 2010 (issue 16)

Hi All

Happy New Year,

Well it has started well (for those of us who enjoy cross country skiing anyway) with lots of snow and some sun.

Unfortunately however the January trips had to be cancelled due to the weather ...perhaps we will be able to re-schedule these later in the year.

Forthcoming Events Paddling

The February meet will be based at Errwood. (Sunday 14th)

Please remember to check the message board periodically (and the web site calendar) as that is where the trips will be advertised along with any ad hoc paddling arrangements.

Slide Show

Wendy Rudeforth is organising a club slide show on Tuesday 2nd Feb at 7.30pm at the Derwent Room, The Buckingham Hotel Burlington Rd, Buxton.

Jeff Shoults will show pictures from his trip to British Columbia and there will be other sea kayaking related stuff from Alan Pedlar, Mike Goddard and Wendy.

Please let Wendy know if you have pictures to show so that it can be organised and you aren't disappointed not to be able to show your stunning pics. White water and canoeing pics needed.

Also please let Wendy know what format you have as at present it is digitally based although I am sure a slide projector can be arranged.

Car boot boat (sailing kayak climbing mountain rescue sale)

Looking forward to warmer weather and easier paddling conditions there will be a car boot/swap shop event in conjunction with the sailors/fishermen/climbers etc on Sunday 18th April (see the message board for details)

Hopefully it will be sunny and we can sell/swap/buy gear or gadgets you didn't know you wanted, have a paddle to get the "summer" season started and eat some burgers.

Pool Sessions

Remember New Mills Pool sessions have started again, Contact Gavin via the message board to book in.

As some of you may know Mo decided to sever her links with the club and resign from the club and as Life President. We wish Mo all the best for the future, thanks for all she did for the club during its formative year and happy and safe paddling in the future.

If you have any ideas of where or what type of club trips you would like please let us know.

That's all for now and remember the trips will all be advertised via the message board

Happy Paddling

Derek Rudeforth
