Please remember to check the message board periodically (and the web site calendar) as that is where the trips will be advertised along with any ad hoc paddling arrangements.

Car boot type sale (sailing kayak climbing mountain rescue fishing)

Looking forward to warmer weather and easier paddling conditions there will be a car boot/swap shop event in conjunction with the sailors/fishermen/climbers etc on Sunday 18th April (see the message board for details).

Hopefully it will be sunny and we can sell/swap/buy gear or gadgets you didn't know you wanted, have a paddle to get the "summer" season started and eat some burgers.

These are now nearly over.

You may have seen various club members wearing the Peak Paddlers Hoodies and T-shirts, if you would like any of these items please email Lisa at peakpaddlers@yahoo.co.uk to order. You can have additional names/wording on the back if you want to personalize them.

That's all for now and remember the trips will all be advertised via the message board
