May 2010 (issue 17)

Hi all,

The AGM has been arranged for Thursday 10th June at Errwood Sailing club. 7.00pm start.

Book this in your diary/ipod now and have a think what you can do for your club?

Are you happy with the club?

Have your say at the AGM.

Some of the committee are standing down so now is a good time to join the committee, or help in an ad hoc manner.

Items or motions for the AGM of the meeting to me please by 3rd June.

Errwood Thursday evenings 7.00pm onwards

These are now in full swing and so far no midges.

If you can help dishing kit out, putting it away etc., please contact anyone on the committee.
