Go Canoeing Day

Don't forget that this Saturday, April 30th, we are co-hosting with Edale YHA a sort of open day down at Errwood.

The idea is to give interested members of the public the chance to have a go and maybe, if they like it, go on to join the club.

Members will be welcome to help on the day from midday onwards.

No doubt there will be plenty of stuff to be done including if the weather permits, BBQ duties as well as just milling around answering questions and talking about the club and canoeing in general.

Thursdays

The sun's out as we go to press, there's water in Errwood – though the tide is beginning to go out, and the midgies aren't out yet. None of the above is guaranteed so get down there and have a paddle while the going's good !

Currently we're paddling 6pm till 8ish.

May 5th

Is the first of our beginners nights. Hopefully we'll have generated some interest on the 30th April and we'll have some potential new members down for this.

Coaches will be there to deal with the newbies, but it will still be a normal paddling session for existing members.

A couple of days later it's **the Wales weekend**, two days of sun, sea and soggy neoprene.

See the message board for more details.
