peak paddlers newsletter

February 2011

Hello All,

AGM

The AGM will be on Sunday 27th February at Errwood sailing club (6.00pm start after a social between 5.00 and 6.00pm)

The December AGM had to be postponed due to the snow/ice but now is the time to elect a new committee and get the club back onto a sound footing after a short hiatus.

Not all the committee are re-standing for office, remember that this is your club and hence now is your time to stand for the committee and help the club move forward

If you require any information about the duties involved in being on the committee feel free to ask any of us.

Membership Renewal

There have been reminders before but just in case you haven't got round to renewing your membership please pay your subscriptions ASAP so that you will be able to participate in the AGM. Obviously only members can vote at the AGM or paddle at our events. I am sure that you will be able to pay your dues on the 27th before the meeting if you can't beforehand.

If you wish to raise any issues at the AGM please contact the secretary to get them onto the agenda

Pool Sessions

Buxton Pool we are informed will reopen at the end of April and we may run a couple of sessions before the outdoor season if it fits in. (see the website message board for info)

2011 Paddling Trips

Sunday 6th March - River Weaver trip
19/20 March - River Dove Tour
7/8 May - North Wales camping seaside trip
18th May - Conwy Ascent
Lake District paddle to be confirmed

All details will be on the website message board.

Safety

The Club have been paddling at Errwood on Saturday's at 12.00-14.00pm when the weather has been kind (not very often) The reservoir has filled up and water is cascading down the overflow and hence until the situation changes beginners won't be allowed to paddle.

Storage and New Kayaks

The new storage facility at Errwood will be kitted out soon. This will free up our trailer so that it can easily be used to transport kit to PPCC trips away from Errwood. Last season we purchased 2 Venture Prospector canoes to add to our fleet. Shortly we will be purchasing 3 touring/sea kayaks. Do come along and try out our new boats.

Cheers for now and get yourself to the AGM.

The Committee
